This was a cemetery many years ago, but now only two stones remain. These, some 300 yards apart and both practically buried, so much so that the writer only found them by chance and good luck. The rest of the remains were removed at least 30 years ago and some were taken over to the Wesleyan Methodist Shilo Church Cemetery at Grahamsville Lot 15 Conc 6 Toronto Township and some of the others were moved into the bigger Anglican Cemeteries. The stones that were found were Richard Halliday 1876 age 67 yrs. and Robert McCaffrey 1870 - 74 years.

TO THOSE INTERESTED IN GRAHAMSVILLE CEMETERY

Dear Friends:-

For a number of years the cemetery surrounding Shilo Church at Grahamsville was sadly neglected until it became a veritable wilderness. Two years ago the Trustee Board decided to put the cemetery in a reasonable state of repair. The members of the congregation rallied to the call and every Wednesday for about three months a group of fifteen or more men could be seen giving their services gladly and freely to the work of rehabilitating this historic cemetery. This was followed up by other "Bees" last year, until the cemetery could be likened to a beautiful little garden. A new iron fence faces the front of the lot, the ground all levelled, stones straightened corner stones put in marking the plots, and a plan of the cemetery prepared.

The Trustees plan on raising an Endowment fund of at least $1000.00, the income from the same to be used to keep the cemetery in a reasonable state of repair for all time to come. One half of this amount has already been promised on condition that the remainder be subscribed. We feel sure that you will be glad to learn of the interest taken in this piece of work by the Trustees, and that you will be anxious to assist in keeping the resting place of many of the pioneers of this historic district in a reasonable state of repair.

Your contributions to this worthy cause will be

gladly received. Kindly forward same to Mr. J. J. Walker, Malton R.R. #1, Ont.

Sincerely yours,
Garnet W. Lynd, William Hostrawser,
John Walker.

From Mr. Frank Walker of Rev. John Jas. Walker

-John James Walker-

He took a great interest in Grahamsville cemetery, and was largely the means of having it put into its present shape. When the idea was first entertained he put up the question of getting $100 to the trustees. They didn't think it could be done, but he went out and got it. They cleared up the cemetery and put a fence around it. Then he suggested the idea of getting an endowment fund. So it happened, and Grahamsville has to-day one of the best kept cemeteries in Peel.

GRAHAMSVILLE CEMETERY #77 - Shiloh Wes. Meth.

(No source given - heading: "Bodies Will Be Removed." Feb. 1, 1927.)

.....Then there is the old cemetery that formerly surrounded Shiloh Methodist Church on lot 17 of the Indian line. Some years ago the church was removed and a union made with another congregation, Central Church serving two congregations. .....

How weakly then departs the breath
The dying pain how mild
It gently sinks to rest
As once it used to do
Against its mother's tender breast
And as soundly too.

The Spirit is not dead
Though low the body lies
But freed from sin and sorrow fled
Two dwell beyond the skies
That death is but a sleep
Beneath the Saviour's eyes
And he will surely safely keep
The body in His Love"
